SUBJECT INDEX

(A) Abstracts (C) Correspondence (E) Editorial

Abdominal aortic aneurysm repair, elective, outcome in a District General Hospital 334(A)
Abdominal pain, acute, do patients have to wait unduly long for analgesia? 181
Acetazolamide and dorzolamide, comparison of effectiveness in preventing post-operative intraocular pressure rise following phacoemulsification 411(C)
Actinomycosis, splenic 344
Acute myocardial infarction, hypotension in patients given streptokinase 336(A)
Adenosine (iv), comparison with slow infusion of calcium channel blockers: emergency management of supraventricular tachycardia 336(A)
Allografts, tendon, in knee ligament surgery 236
Ampulla of Vater, pancreatic pseudocyst: heparin-induced haemorrhage 271
Amputation, through-knee amputation/disarticulation 335(A)
Anaesthetic, local, to warm or alter the pH? A survey of current practice 167, 277(C), 278(C)
Analgesia, do patients with acute abdominal pain have to wait unduly long? 181
Anchorage reinforcement, use of protraction headgear in the treatment of hypodontia 108(A)
Aneurysm
  abdominal aortic, elective repair, outcome in a District General Hospital 334(A)
  isolated of iliac artery with associated hydronephrosis 197
  mucoid degeneration of the brachial artery: case report and a review of literature 126
Angioplasty, lower: a useful palliative intervention? Audit of angioplasty clinic in a regional vascular unit 396(A)
Anterior resection with total mesorectal excision 40, 135(C), 136(C)
Aortic aneurysm, abdominal, elective repair, outcome in a District General Hospital 334(A)
Atheromatous disease of carotid and coronary arteries, surgical management of co-existing disease 328(A)
Audit
  51 patients treated with endoscopically deployed self-expanding metal oesophageal stents 401(A)
  clinical, not done well or not done at all. Roles of the Royal Colleges and senior clinicians 400(A)
  completion of the journey of care: Scottish Audit of Surgical Mortality (SASM) 185
  day case knee arthroscopy in Inverness 394(A)
  diagnostic delay in colorectal cancer 313
  Edinburgh Head and Neck Fine Needle Aspiration Cytology Audit 399(A)
  emergency attendances for catheter-related problems: a Dundee audit 400(A)
  groin hernia in Scotland: an overview of 8 months 398(A)
  hospital information support systems, can they support surgical audit? 397(A)
  knee replacement in Fife 395(A)
  lower limb angioplasty: a useful palliative intervention? Audit of angioplasty clinic in a regional vascular unit 396(A)
  ongoing internal has reduced stroke rate associated with carotid endarterectomy 401(A)
  operative: a PC-based logbook solution for plastic surgery trainees 399(A)
  outcomes after treatment of Scottish patients with uveal melanoma in Liverpool 260
  paediatric otolaryngology discharge information 402(A)
  personal for 20 years of cardiac surgery 398(A)
  post-operative visits after cataract surgery 399(A)
  on predictors of ventilatory insufficiency in acute traumatic low tetraplegia 396(A)
  prospective on care of breast cancer patients in Dumfries and Galloway 402(A)
  theatre resource utilisation: West Block, Ninewells Hospital 399(A)
  treatment of oesophageal achalasia: prospective audit of outcomes following pneumatic balloon dilation 400(A)
  upper GI emergency operations 394(A)
  vascular surgical mortality in Scotland: 1997 395(A)
Auto-transplantation, renal, with interposed PTFE arterial graft: not necessarily a cure for loin pain/haematuria syndrome 134
Axillary node clearance for breast cancer 111
Axillary surgery in patients with breast cancer being treated by breast conservation: a randomised trial of node sample or axillary clearance 330(A)

Balloon dilation, pneumatic, treatment of oesophageal achalasia: prospective audit of outcomes 400(A)
Basal skull fracture, otological complications 87
Basic surgical trainees, open education techniques: lessons from education theory 55
Bladder cancer, radical cystectomy and ileal conduit for invasive tumour 379
Blankart repair for recurrent anterior dislocation of the shoulder 245
Bleeding disorders, inherited, dental assessment of adults 103(A)
Blood pressure and fat distribution in a group of Jamaican diabetics 337(A)
Brachial artery, mucoid degeneration: case report and a review of literature 126
Brain surgery for tumours: triumphs and tragedies 72
Breast cancer
  axillary node clearance 111
  axillary surgery in patients being treated by breast conservation: a randomised trial of node sample or axillary clearance 330(A)
  ductal carcinoma. (Simple mastectomy, axillary clearance and tamoxifen) 329(A)
  neural networks improve the prediction of survival: a new prognostic indicator 329(A)
  prospective audit on care of patients in Dumfries and Galloway 402(A)
  use of radiolabelled isonitriles 329(A)
Breast clinic
  one-stop and the general practitioner 397(A)
  symptomatic, the accuracy of "one-stop" diagnosis for 1 110 patients presented 226
Bridge and crown, quality of work in the United Kingdom 106(A)
British Legion pilgrimages, Medical Officer 331(A)
Bronchus, main right post traumatic rupture: a rare clinical entity? 132

Calcium channel blockers, comparison of slow infusion with IV adenosine: emergency management of supraventricular tachycardia 336(A)
Calcium hydroxyapatite ceramic coated Furlong total hip replacement system in revision hip surgery 335(A)
Calman report, venous surgery and the vascular trainee 172
Cancer
  local recurrence following rectal resection for cancer 205(C)
  management in the elderly 2
  surgery, centralisation and oesophagectomy volume 65(C)
Candidosis, hyperplastic and dentoalveolar abscess, PCR-based molecular investigation 104(A)
Cardiac surgery
  20 years: a personal audit 398(A)
  and thoracic surgery in patients infected with human immunodeficiency virus (HIV) 328(A)
Cardiovascular surgery in the elderly 216, 346(C), 347(C)
Care, completion of the journey: Scottish Audit of Surgical Mortality (SASM) 185
Carotid and coronary arteries, surgical management of co-existing disease 328(A)
Carotid duplex service, fast track, first year 307
Carotid endarterectomy, results in a District General Hospital 328(A)
Carotid surgery, prevention of cerebral ischaemia: roles for 10Dextran 40 and ultrasonic embolus detection 328(A)
Cataract surgery, audit of post-operative visits 399(A)
Catheter-related problems, emergency attendance: a Dundee audit 400(A)
Cementation, pulpward pressure transmission 106(A)
Cephalometric radiographs to study patients with isolated cleft palate 104(A)
Cerebral ischaemia prevention in carotid surgery: roles for 10Dextran 40 and ultrasonic embolus detection 328(A)
Charnley low-friction hip arthroplasty, effect of activity levels on polyethylene wear 193
Chemotherapy, cancer management in the elderly 2
Children, soft tissue management of open tibial fractures 24
Cholecystectomy, laparoscopic 187
  migration of three endoclips 200, 348(C)
  use of a fistula director to enlarge the port site opening to retrieve a stone packed bulky gall bladder: a simple and safe technique 179, 410(C)
Chronic obstructive pulmonary disease (COPD), challenge 336(A)
Circumcision, lateral preputioplasty for phimosis 310
Cleft care in the West of Ireland 104(A)
Cleft lip and palate care: how would you measure up? 340(A)
Cleft maxilla, distraction osteogenesis 340(A)
Cleft palate, cephalometric radiographs to study patients 104(A)
Clinical audit, not done well or not done at all. Roles of the Royal Colleges and senior clinicians 400(A)
Clinical informatics, ten essential skills 269
Collagen peptide linear motif, adhesion of human osteoblast-like cells activates tyrosine kinase dependent phosphorylation of focal adhesion kinase 105(A)
Colonic obstruction, new method of ileostomy formation following surgery 378
Colorectal cancer
  characteristics in the low-risk black population of the Witwatersrand 366
  diagnostic delay 313
  screening relatives of patients: the need for continuing education 13
Colorectal resection, laparoscopic assisted: experience with the first 100 cases 331(A)
Combination therapy, long-term effects with insulin and sulfonylurea in type 2 diabetes 338(A)
Complications, is herniography an effective and safe investigation? 374
Consultants, how much 'at the table' training do they do? 331(A)
Copper phosphate cement, in vitro microbiological investigation 108(A)
Coronary and carotid arteries, surgical management of co-existing disease 328(A)
Corticosteroids, supplementary in organ transplant patients undergoing gingival surgery 103(A)
Craniofacial morphology and nasal airway resistance, effect of osteodystraction of the maxillary midline palatal suture 339(A)
Critically ill patient
  monitoring 386
  surgical, role of intensive care unit in management 294
Crohn's disease, intestinal, and OFG, technetium-99m-HPAO leucocyte labelling 104(A)
Crown and bridge, quality of work in the United Kingdom 106(A)
Curative surgery versus palliative surgical treatment for stage III pancreatic cancer patients 231, 410(C), 411(C)
Cystadenocarcinoma, mucinous, caused by haemosuccus pancreaticus 274
Cystectomy, radical and ileal conduit for invasive bladder tumour 379
Cystic adventitial disease (CAD), mucoid degeneration of the brachial artery: case report and a review of literature 126
Cystic hygroma in an adult: case report 57

Dacrocystorhinostomy, endoscopic without silicone stenting 371

©1999 The Royal College of Surgeons of Edinburgh, *J.R.Coll.Surg.Edinb.*

Day surgery
audit of knee arthroscopy in Inverness 394(A)
does it add to out-of-hours workload of general practitioners? 401(A)
Dental assessment of adults with inherited bleeding disorders 103(A)
Dental cement
microbiological investigation of copper phosphate cement in vitro 108(A)
orthodontic band, fluoride release and antimicrobial properties 108(A)
pulpward pressure transmission 106(A)
Dental education
implementing the continuum 141
resources on the Web: the DERWeb project 110(A)
Dental plate, a lethal ectopic denture: an unusual case of sigmoid perforation due to an unnoticed swallowed dental plate 203
Dental practice, illegal, a survey: mother-in-law's lost false teeth 110(A)
Dental restoration, failed, modern methodologies for repair 107(A)
Dentistry
biological side effects to materials used 146
bridge and crown, quality of work in the United Kingdom 106(A)
superplastic forming applications 339(A)
Dentoalveolar abscess and hyperplastic candidosis, a PCR-based molecular investigation 104(A)
Denture stomatitis, clinical trial of itraconazole for treatment 103(A)
DERWeb project, dental education resources on the Web 110(A)
Dextran, prevention of cerebral ischaemia in carotid surgery: roles for 10Dextran 40 and ultrasonic embolus detection 328(A)
Diabetes
fat distribution and blood pressure in a group of Jamaican diabetics 337(A)
implementation of the St Vincent Declaration for the Care of Diabetic Patients in Scotland by the Scottish Intercollegiate Guidelines Network 338(A)
type 2, long-term effects of combination therapy with insulin and sulfonylurea 338(A)
Diagnosis delay in colorectal cancer 313
Dieulafoy's lesion, an obsure case of gastrointestinal bleeding 222
Digital imaging system, ward-based: application in a vascular unit 333(A)
Diploma of Fellowship in Dental Surgery golden jubilee, Royal College of Surgeons of Edinburgh 71(E)
Disarticulation, through-knee amputation/disarticulation 335(A)
Discharge information, paediatric otolaryngology audit 402(A)
Dislocation
delayed of radial head following upper radial epiphysial injury 63
recurrent anterior of shoulder, open 'Blankart' repair 245
Distraction osteogenesis of the cleft maxilla 340(A)
Dorzolamide and acetazolamide, comparison of effectiveness in preventing post-operative intraocular pressure rise following phacoemulsification 411(C)
Drains, indwelling, discharging patients with: a win-win option 402(A)
Ductal carcinoma of the breast. (Simple mastectomy, axillary clearance and tamoxifen) 329(A)
Duplex imaging, first year of a fast track carotid duplex service 307

Ecstasy, toothwear occurrence in users 109(A)
Edinburgh Head and Neck Fine Needle Aspiration Cytology Audit 399(A)
Education
continuing, screening relatives of patients with colorectal cancer 13
dental, implementing the continuum 141
dental, resources on the Web: the DERWeb project 110(A)
optimal techniques for basic sugical trainees: lessons from education theory 55
Eicosanoids, fatty acids and prostate cancer: current status and future challenges 352
Elastic properties of human umbilical vein grafts, in situ, evaluation of 332(A)
Elderly
cancer management 2
cardiovascular surgery 216, 346(C), 347(C)
star rating 330(A)
Electronic Journal 1
Electronic mailing list for orthopaedic and trauma surgery 36
Electronic publishing, surgery and the information age 34
Email, how to cope with unsolicited Email from the general public 278(C)
Emergency attendances for catheter-related problems: a Dundee audit 400(A)
Emergency management of supraventricular tachycardia: a comparison between IV adenosine and slow infusion of calcium channel blockers 336(A)
Endoclips, migration of three after laparoscopic cholecystectomy 200, 348(C)
Endometriosis, ileal, small bowel obstruction due to: a case report and literature review 59
Endoscopic dacrocystorhinostomy without silicone stenting 371
Endoscopic venous surgery for incompetent perforators 333(A)
Endoscopically deployed self-expanding metal oesophageal stents, audit of 51 patients 401(A)
Epidural haematoma, spontaneous, associated with radiation-induced malignant fibrous histiocytoma 404
Epiphyseodesis, limb shortening for management of leg length discrepancy 46
Epiphysial injury, delayed dislocation of radial head following 63
Estrogen modulation of G-proteins in mouse osteoblasts stimulated with IL-6 109(A)
External fixator for the hand: a quick, cheap and effective method 99
Eye, auditing outcomes after treatment of Scottish patients with uveal melanoma in Liverpool 260

Faecal incontinence, long term outcome of 1960s sphincter injury 334(A)
Family history, screening relatives of patients with colorectal cancer: the need for continuing education 13
Fat distribution and blood pressure in a group of Jamaican diabetics 337(A)
Fatty acids and prostate cancer: current status and future challenges 352
Fellowship in Dental Surgery diploma golden jubilee, Royal College of Surgeons of Edinburgh 71(E)
Femoral disphyseal fracture management 205(C), 277(C)
Femoral hernia audit in Scotland: an overview of 8 months 398(A)
Femur, post-menopausal proximal fracture versus osteoarthritis, phalangeal bone ultrasonometry 334(A)
Fibrous histiocytoma, malignant, spontaneous epidural haematoma associated with radiation-induced tumour 404
Fine needle aspiration cytology (FNAC)
the accuracy of "one-stop" diagnosis for 1 110 patients presenting to a symptomatic breast clinic 226
Edinburgh Head and Neck Fine Needle Aspiration Cytology Audit 399(A)
Fistula director use to enlarge portsite opening to retrieve a stone packed bulky gall bladder during laparoscopic cholecystectomy: a simple and safe technique 179, 410(C)
Flaps, soft tissue management of open tibial fractures in children 24
Focal adhesion kinase, adhesion of human osteoblast-like cells to linear collagen peptide motif activates tyrosine kinase dependent phosphorylation 105(A)
Forceps delivery, long term outcome of 1960s sphincter injury 334(A)
Foreign body, a lethal ectopic denture: an unusual case of sigmoid perforation due to an unnoticed swallowed dental plate 203
Foreskin, lateral preputioplasty for phimosis 310
Fracture
disphyseal, management of femoral and tibial 205(C), 277(C)
of the hand, external fixation: a quick, cheap and effective method 99
open tibial, soft tissue management in children 24
otological complications of basal skull fracture 87
tibia, standardisation of radiographic views 241
Furlong calcium hydroxyapatite ceramic coated total hip replacement system in revision hip surgery 335(A)

G-proteins, modulation by estrogen in mouse osteoblasts stimulated with IL-6 109(A)
Gall bladder, fistula director use to enlarge portsite opening to retrieve a stone packed bulky gall bladder during laparoscopic cholecystectomy: a simple and safe technique 179, 410(C)
Gastric adenocarcinoma, synchronous and metachronous: case report and literature review 61
Gastrointestinal bleeding, an obscure cause, Dieulafoy's lesion 222
Gastrointestinal emergency operations, audit 394(A)
Gastrointestinal haemorrhage, haemosuccus pancreaticus due to cystadenocarcinoma 274
General practitioners
does day surgery add to out-of-hours workload? 401(A)
one-stop breast clinic 397(A)
Gingival surgery, supplementary corticosteroids in organ transplant patients 103(A)
Goitre, thyrotoxicosis in Bebin city: study of surgical treatment of 30 patients 337(A)
Groin hernia audit in Scotland: an overview of 8 months 398(A)
Guided imagery and relaxation therapy, can Type C personality be modified by? 330(A)
Gustilo classification, tibial fractures in children 24

Haemodialysis, synthetic vascular access: Newcastle experience 334(A)
Haemorrhage
gastrointestinal, haemosuccus pancreaticus due to cystadenocarcinoma 274
heparin-induced through the ampulla of Vater: pancreatic pseudocyst 271
Haemosuccus pancreaticus due to cystadenocarcinoma 274
Head and neck
cystic hygroma in an adult: case report 57
Edinburgh Head and Neck Fine Needle Aspiration Cytology Audit 399(A)
radiological staging of squamous carcinoma: a standardised practice? 303
Hemiarthroplasty, titanium of the 1st metatarsophalangeal joint 335(A)
Heparin, induced haemorrhage through the ampulla of Vater: pancreatic pseudocyst 271
Herniography, is it an effective and safe investigation? 374
High dependency care, prospective study of requirements and provision 19, 347(C)
High dependency units, role in management of the critically ill surgical patient 294
Hip arthroplasty, effect of activity levels on polyethylene wear in Charnley low-friction arthroplasty 193
Hip surgery, revision, Furlong calcium hydroxyapatite ceramic coated total hip replacement system 335(A)
Hospital information support systems, can they support surgical audit? 397(A)
Hospital information systems (HIS), surgery and the information age 34
Human immunodeficiency virus (HIV) infection, cardiac and thoracic surgery in patients 328(A)
Human umbilical vein grafts, in situ, evaluation of elastic properties 332(A)
Hydatid liver disease
as cause of recurrent pancreatitis 407
surgical technique 332(A)
Hydronephrosis, associated with isolated iliac artery aneurysms 197
Hyperamylasaemia, haemosuccus pancreaticus due to cystadenocarcinoma 274
Hyperthyroidism and hypothyroidism, current guidelines for managing 337(A)
Hypodontia, use of protraction headgear for anchorage reinforcement in treatment 108(A)
Hypotension in acute myocardial infarction patients given streptokinase 336(A)
Hypothyroidism and hyperthyroidism, current guidelines for managing 337(A)

©1999 The Royal College of Surgeons of Edinburgh, *J.R.Coll.Surg.Edinb.*

IL-6, mouse osteoblast stimulation, modulation of G-proteins by estrogen 109(A)
Ileal conduit and radical cystectomy for invasive bladder tumour 379
Ileal endometriosis, small bowel obstruction due to: a case report and literature review 59
Ileostomy formation, new method following surgery for colonic obstruction 378
Iliac artery, isolated aneurysms with associated hydronephrosis 197
Illegal dental practice, a survey: mother-in-law's lost false teeth 110(A)
Imaging, magnetic resonance imaging in oncology: an overview 117
Immune system, nutrients and the surgical patient: current and potential therapeutic applications to clinical practice 283
In-111 octreotide, radiotargetted therapy for neuroendocrine tumours 338(A)
Incompetent perforators, endoscopic venous surgery for 333(A)
Informatics, clinical, ten essential skills 269
Information technology
  at the Royal College of Surgeons of Edinburgh: heading for the Millennium 281
  surgery 34
  ten essential clinical informatics skills 269
Inguinal hernia
  audit in Scotland: an overview of 8 months 398(A)
  recurrent, Lichtenstein or laparoscopic repair: one unit's experience 301
Insulin and sulfonylurea, long-term effects of combination therapy in type 2 diabetes 338(A)
Intensive care unit, role in management of the critically ill surgical patient 294
Intensive therapy unit, prospective study of requirements and provision 19
Intermittent claudication, mucoid degeneration of the brachial artery: case report and a review of literature 126
Intermittent porphyria, acute, and sickle cell trait leading to small bowel infarction 130
International health issues: a Midwestern US perspective 332(A)
Internet
  assessment of electronic mailing list for orthopaedic and trauma surgery 36
  surgery and the information age 34
Intestinal bleeding, occult, metastatic melanoma of the small bowel as a cause 341
Intra-ocular pressure, comparison of effectiveness of dorzolamide and acetazolamide in preventing post-operative rise following phacoemulsification 411(C)
Intracerebral haemorrhage, surgical trial (STICH) 335(A)
Intramedullary nailing
  of tibial fractures: how often are post-operative radiographs needed? 395(A)
  and tissue protection, can the proctoscope be forgotten in orthopaedic surgery? 177
Intranasal changes following RME 108(A)
Intraobserver agreement MRI grading of knee osteoarthritis 31
Intravenous drug users, pseudoaneurysms 333(A)
Isonitriles, use of radiolabelled in breast cancer 329(A)
Itraconazole, clinical trial for the treatment of denture stomatitis 103(A)

Journal in 1999 351 (E)

Knee
  arthroscopy, audit of day surgery in Inverness 394(A)
  ligament surgery and tendon allografts 236
  osteoarthritis, observer agreement in MRI grading 31
  replacement audit in Fife 395(A)
  through-knee amputation/disarticulation 335(A)

Laparoscopic assisted colorectal resection: experience with the first 100 cases 331(A)
Laparoscopic cholecystectomy 187
  fistula director use to enlarge portsite opening to retrieve a stone packed bulky gall bladder: a simple and safe technique 179, 410(C)
  migration of three endoclips 200, 348(C)
Laparoscopic or Lichtenstein repair for recurrent inguinal hernia: one unit's experience 301
Large bowel, acute obstruction, use of recto-sigmoid stents in management 137(C), 205(C)
Large bowel cancer, characteristics in the low-risk black population of the Witwatersrand 366
Laser Doppler flowmetry, the effect of four variables on reliability 107(A)
Learning style, optimal for basic sugical trainees: lessons from education theory 55
Legs, limb shortening for management of length discrepancy 46
Lichtenstein or laparoscopic repair for recurrent inguinal hernia: one unit's experience 301
Ligament surgery, knee, and tendon allografts 236
Limb shortening for management of leg length discrepancy 46
Literature searching, surgery and the information age 34
Liver
  hydatid disease as a cause of recurrent pancreatitis 407
  surgical technique for hydatid disease 332(A)
Local anaesthetic, to warm or alter the pH? A survey of current practice 167, 277(C), 278(C)
Loin pain/haematuria syndrome, not necessarily cured by renal auto-transplantation with interposed PTFE arterial graft 134, 412(C)
Lower limb angioplasty: a useful palliative intervention? Audit of angioplasty clinic in a regional vascular unit 396(A)
Lymphangioma, cystic hygroma in an adult: case report 57

Magnetic resonance imaging (MRI)
  observer agreement in MRI grading of knee osteoarthritis 31
  in oncology: an overview 117
Malnutrition, nutrients and the surgical patient: current and potential therapeutic applications to clinical practice 283
Mammography, the accuracy of "one-stop" diagnosis for 1110 patients presenting to a symptomatic breast clinic 226
Mastectomy, axillary clearance and tamoxifen for ductal carcinoma of the breast 329(A)
Maxilla
  cleft, distraction osteogenesis 340(A)
  intranasal changes following RME 108(A)
  midline palatal suture osteodystraction and its effect on nasal airway resistance and craniofacial morphology 339(A)
Maxillary prognathism, a new modification of the twin block appliance for correction 109(A)
Maxillofacial injury in cyclists, circumstances and scope for prevention 82
Medical advice, how to cope with unsolicited Email from the general public 278(C)
Medical emergency teams, role in management of the critically ill surgical patient 294
Medical informatics, clinical, ten essential skills 269
Medical Officer with British Legion pilgrimages 331(A)
Melanoma
  metastatic of the small bowel as a cause of occult intestinal bleeding 341
  uveal, auditing outcomes after treatment of Scottish patients in Liverpool 260
Mesorectal excision, total (TME) 40, 135(C), 136(C)
Metachronous adenocarcinoma of stomach: case report and literature review 61
Metastatic melanoma of the small bowel as a cause of occult intestinal bleeding 341
Metatarsophalangeal joint, titanium hemiarthroplasty 335(A)
Methicillin resistant Staphylococcus aureus (MRSA)
  infection in surgical patients: an analysis of outcome using P-POSSUM 161
  prospective survey in a vascular unit 400(A)
Microbiology, investigation of copper phosphate cement in vitro 108(A)
Morbidity, curative surgery versus palliative surgical treatment for stage III pancreatic cancer patients 231
Mortality
  completion of the journey of care: Scottish Audit of Surgical Mortality (SASM) 185
  curative surgery versus palliative surgical treatment for stage III pancreatic cancer patients 231
Muco-epithelial rheology 106(A)
Myocardial infarction, hypotension in patients given streptokinase 336(A)

Nailing, intramedullary
  of tibial fractures: how often are post-operative radiographs needed? 395(A)
  and tissue protection, can the proctoscope be forgotten in orthopaedic surgery? 177
Nasal airway resistance and craniofacial morphology, effect of osteodystraction of the maxillary midline palatal suture 339(A)
Neck, cystic hygroma in an adult: case report 57
Nephrectomy, partial, for renal tumours: the Singapore General Hospital experience 156
Neural networks improve the prediction of survival in breast cancer: a new prognostic indicator 329(A)
Neuroendocrine tumours, radiotargetted therapy 338(A)
Nurses in surgery: opportunity or threat? A personal view 135(C)
Nutrients and the surgical patient: current and potential therapeutic applications to clinical practice 283

Ocular injuries 317
Oesophageal achalasia treatment: prospective audit of outcomes following pneumatic balloon dilation 400(A)
Oesophageal stents, endoscopically deployed self-expanding metal, audit of 51 patients 401(A)
Oesophagectomy volume and centralization of cancer surgery 65(C)
Oncology, magnetic resonance imaging: an overview 117
Operation notes, an audit of quality in one otolaryngology unit 94
Operative audit: a PC-based logbook solution for plastic surgery trainees 399(A)
Oral smears, quantifying cell changes using Seescan TV image analysis system (TVIAS) 103(A)
Oral Surgery (Overseas), (M Oral Surg RCSEd), speciality of Oral Surgery membership as laid down by EC directives 107(A)
Orofacial granulomatosis, technetium-99m-HPAO leucocyte labelling in OFG and intestinal Crohn's disease 104(A)
Orofacial management, implications for survivors of torture and trauma 339(A)
Orthodontic teachers, bending under the strain or work hardened? 105(A)
Orthopaedics
  assessment of electronic mailing list 36
  can the proctoscope be forgotten? Proctoscope as a tissue protector during intramedullary nailing 177
  further uses of polymethylmethacrylate 65(C)
  who actually does operations? 91
Orthopod, assessment of electronic mailing list 36
Osteoarthritis
  observer agreement in MRI grading of knee 31
  versus post-menopausal proximal femur fracture, phalangeal bone ultrasonometry 334(A)
Osteoblasts, modulation of G-proteins by estrogen in mouse osteoblasts stimulated with IL-6 109(A)
Osteodystraction of the maxillary midline palatal suture and its effect on nasal airway

resistance and craniofacial morphology 339(A)
Osteogenesis, distraction of the cleft maxilla 340(A)
Otolaryngology
  an audit of the quality of operation notes in one unit 94
  paediatric, discharge information audit 402(A)
Otological complications following basal skull fracture 87
Overspecialisation drawbacks 11, 137(C)

P-POSSUM, analysis of outcome of surgical patients with methicillin resistant Staphylococcus aureus infection 161
Paediatric otolaryngology discharge information audit 402(A)
Paediatric surgery and the Scots 211
Palatopharyngoplasty w-technique 339(A)
Palliative surgery versus curative surgical treatment for stage III pancreatic cancer patients 231, 410(C), 411(C)
Pancreas
  haemosuccus pancreaticus due to cystadenocarcinoma 274
  pseudocyst, heparin-induced haemorrhage through the ampulla of Vater 271
  resection, supervised surgical trainees 16
Pancreatic cancer, effect of curative versus palliative resection for stage III patients 231, 410(C), 411(C)
Pancreatic pseudocyst, heparin-induced haemorrhage through the ampulla of Vater 271
Pancreatic resection, supervised surgical trainees 16
Pancreatitis, recurrent, hydatid liver disease as a cause 407
Parathormone, ionic changes in stimulated Saos-2 cells by x-ray micro-analysis 109(A)
Personality, Type C, can it be modified by relaxation therapy and guided imagery? 330(A)
Phacoemulsification, comparison of effectiveness of dorzolamide and acetazolamide in preventing post-operative intraocular pressure rise 411(C)
Phalangeal bone ultrasonometry in post-menopausal proximal femur fracture versus osteoarthritis 334(A)
Phimosis, lateral preputioplasty 310
Physiological response, monitoring the critically ill patient 386
Plastic surgery
  discharging patients with indwelling drains: a win-win option 402(A)
  soft tissue management of tibial fractures in children 24
Plastic surgery trainees, operative audit: a PC-based logbook solution 399(A)
Polyethylene, effect of activity levels on wear in Charnley low-friction hip arthroplasty 193
Polymethylmethacrylate, further uses in orthopaedic surgery 65(C)
Polytetrafluorethylene (PTFE) arterial graft, renal autotransplantation with: not necessarily a cure for loin pain/haematuria syndrome 134, 412(C)
Polytetrafluorethylene (PTFE) grafts, synthetic vascular access for haemodialysis: Newcastle experience 334(A)
Post-menopausal proximal femur fracture versus osteoarthritis, phalangeal bone ultrasonometry 334(A)
Post-operative care, prospective study of high dependency care requirements and provision 19
Post-operative visits, audit after cataract surgery 399(A)
Pregnancy, systemic lupus erythematosus (SLE) management: the St Thomas' Hospital experience 337(A)
Premolar brackets, gingivally-offset - a randomized clinical trial 105(A)
Preputioplasty, lateral for phimosis 310
Pressure transmission, pulpward from cementation 106(A)
Proctoscope, can it be forgotten in orthopaedic surgery? Proctoscope as a tissue protector during intramedullary nailing 177
Prognosis, neural networks improve the prediction of survival in breast cancer: a new prognostic indicator 329(A)
Prostate cancer and fatty acids: current status and future challenges 352
Prosthetic replacement of temporomandibular joint 339(A)
Protraction headgear, use for anchorage reinforcement in the treatment of hypodontia 108(A)
Pseudoaneurysms in intravenous drug users 333(A)
Pseudocyst, pancreatic, heparin-induced haemorrhage through the ampulla of Vater 271
Public health, back to the future: lessons for the 21st century from innovations in South Africa and Scotland 331(A)
Pulp, effect of four variables on the reliability of Laser Doppler flowmetry 107(A)

Quality of life measurement in surgery 252

Radial head, delayed dislocation following upper radial epiphysial injury 63
Radical cystectomy and ileal conduit for invasive bladder tumour 379
Radiography
  cephalometric, to study patients with isolated cleft palate 104(A)
  post-operative, intramedullary nailing of tibial fractures 395(A)
  standardisation of views of the fractured tibia 241
  subtractive, dental, in vitro evaluation using bone chips on dried human mandibles 109(A)
Radiolabelled isonitriles, use in breast cancer 329(A)
Radiological staging for squamous carcinoma of the head and neck: a standardised practice? 303
Radiotargetted therapy for neuroendocrine tumours 338(A)
Radiotherapy
  cancer management in the elderly 2
  spontaneous epidural haematoma associated with radiation-induced malignant fibrous histiocytoma 404
Rapid maxillary expansion (RME), intranasal changes following 108(A)
Rectal cancer
  anterior resection with total mesorectal excision 40, 135(C), 136(C)
  local recurrence following rectal resection for cancer 205(C)
Recto-sigmoid stents, use in the management of acute large bowel obstruction 137(C), 205(C)
Relaxation therapy and guided imagery, can Type C personality be modified by? 330(A)
Renal transplantation
  autotransplantation with interposed PTFE arterial graft: not necessarily a cure for loin pain/haematuria syndrome 134, 412(C)
  outcome in patients with lower urinary tract abnormality 78
Renal tumour, partial nephrectomy: the Singapore General Hospital experience 156
Resin-retained bridgework, commercial, alloy composition and surface topography 106(A)
Rheology, muco-epithelial 106(A)
Rib, trans-axillary first rib excision for thoracic outlet syndrome 362
Royal College of Surgeons of Edinburgh, Golden Jubilee of the Diploma of Fellowship in Dental Surgery 71(E)
Rupture, post traumatic of the right main bronchus: a rare clinical entity? 132

St Vincent Declaration, implementation for the Care of Diabetic Patients in Scotland by the Scottish Intercollegiate Guidelines Network 338(A)
Same day thyroid surgery: a feasible proposition? 402(A)
Saos-2 cells, ionic changes in stimulated cells by x-ray micro-analysis 109(A)
Scotland, back to the future: lessons for the 21st century from innovations in public health South Africa and Scotland 331(A)
Scottish Audit of Surgical Mortality (SASM), completion of the journey of care 185
Scottish Intercollegiate Guidelines Network, implementation of the St Vincent Declaration for the Care of Diabetic Patients in Scotland 338(A)
Scottish Morbidity Record 1 (SMR1), accuracy of the recording of operative events for a teaching hospital vascular unit 96
Screening relatives of patients with colorectal cancer: the need for continuing education 13
Senior House Officer training: some myths exposed 324
Shoulder, recurrent anterior dislocation, open 'Blankart' repair 245
Sickle cell trait and acute intermittent porphyria leading to small bowel infarction 130
Side effects, biological, to materials used in dentistry 146
Sigmoid colon perforation due to an unnoticed swallowed dental plate 203
Sigmoid volvulus, acute, one-stage procedure in management 164
Silicone stents, endoscopic dacrocystorhinostomy without 371
Skeletal maturity, limb shortening for management of leg length discrepancy 46
Skull basal fracture, otological complications 87
Small bowel
  acute obstruction due to ileal endometriosis: a case report and literature review 59
  infarction resulting from sickle cell trait and acute intermittent porphyria 130
  metastatic melanoma as a cause of occult intestinal bleeding 341
  volvulus: a review 150, 412(C), 413(C)
South Africa
  back to the future: lessons for the 21st century from innovations in public health South Africa and Scotland 331(A)
  characteristics of large bowel cancer in the low-risk black population of the Witwatersrand 366
Specialisation, drawbacks of overspecialisation 11, 137(C)
Sphincter injury, long term outcome of 1960s 334(A)
Spinal cord injury
  audit on predictors of ventilatory insufficiency in acute traumatic low tetraplegia 396(A)
  in sport: no profit, only loss 335(A)
Splenic actinomycosis 344
Sport, spinal cord injury: no profit, only loss 335(A)
Squamous carcinoma of the head and neck, radiological staging: a standardised practice? 303
Staphylococcus aureus, methicillin resistant
  infection in surgical patients: an analysis of outcome using P-POSSUM 161
  prospective survey in a vascular unit 400(A)
Stapling, limb shortening for management of leg length discrepancy 46
Star rating, elderly 330(A)
Stenting
  endoscopic dacrocystorhinostomy without 371
  endoscopically deployed self-expanding metal oesophageal stents, audit of 51 patients 401(A)
  use of recto-sigmoid in the management of acute large bowel obstruction 137(C), 205(C)
Stomach
  extended resection of locally advanced (T4) cancer 333(A)
  metachronous adenocarcinoma: case report and literature review 61
Stomatitis, denture, clinical trial of itraconazole for treatment 103(A)
Streptokinase, hypotension in acute myocardial infarction patients 336(A)
Stroke rate associated with carotid endarterectomy, reduction by ongoing internal audit 401(A)
Sub-fascial endoscopic venous surgery for incompetent perforators 333(A)
Subtraction radiography, dental, in vitro evaluation using bone chips on dried human

©1999 The Royal College of Surgeons of Edinburgh, *J.R.Coll.Surg.Edinb.*

mandibles 109(A)
Sulfonylurea and insulin, long-term effects of combination therapy in type 2 diabetes 338(A)
Sulphur granules, splenic actinomycosis 344
Superplastic forming, applications in dentistry 339(A)
Supraventricular tachycardia, emergency management: a comparison between IV adenosine and slow infusion of calcium channel blockers 336(A)
Surgical Dentistry, membership, (M Surg Dent RCSEd) 107(A)
Surgical experience, Senior House Officer training: some myths exposed 324
Surgical practice, measurement of quality of life in surgery 252
Surgical technique
  for hydatid disease of the liver 332(A)
  laparoscopic cholecystectomy 187
Surgical trainees
  open education techniques: lessons from education theory 55
  supervised, can perform pancreatic resections safely 16
Surgical trial in intracerebral haemorrhage (STICH) 335(A)
Survival, neural networks improve the prediction of in breast cancer: a new prognostic indicator 329(A)
Synchronous adenocarcinoma of stomach: case report and literature review 61
Synthetic vascular access for haemodialysis: Newcastle experience 334(A)
Systemic lupus erythematosus (SLE), management in pregnancy: the St Thomas' Hospital experience 337(A)

Tamoxifen following mastectomy and axillary clearance for ductal carcinoma of the breast 329(A)
Technetium-99m-HPAO, leucocyte labelling in OFG and intestinal Crohn's disease 104(A)
Temporal artery biopsy - unnecessary investigation? 396(A)
Temporomandibular joint, prosthetic replacement 339(A)
Tendon allografts in knee ligament surgery 236
Tetraplegia, acute traumatic low, audit on predictors of ventilatory insufficiency 396(A)
Theatre resource utilisation audit: West Block, Ninewells Hospital 399(A)
Thoracic and cardiac surgery in patients infected with human immunodeficiency virus (HIV) 328(A)
Thoracic outlet syndrome
  a missed diagnosis 330
  trans-axillary first rib excision 362
Thyroid
  current guidelines for managing hyperthyroidism and hypothyroidism 337(A)
  same day surgery: a feasible proposition? 402(A)
Thyrotoxicosis in Bebin city: study of surgical treatment of 30 patients 337(A)
Tibial fractures
  intramedullary nailing: how often are post-operative radiographs needed? 395(A)
  management of disphyseal 205(C), 277(C)
  soft tissue management in children 24
  standardisation of radiographic views 241
Tissue oxygenation, monitoring the critically ill patient 386
Tissue protection, can the proctoscope be forgotten in orthopaedic surgery? Proctoscope as a tissue protector during intramedullary nailing 177
Titanium hemiarthroplasty of the 1st metatarsophalangeal joint 335(A)
Toothwear, occurrence in Ecstasy users 109(A)
Torture, implications of oro-facial management for survivors 339(A)
Total extraperitoneal repair, laparoscopic or Lichtenstein repair for recurrent inguinal hernia: one unit's experience 301
Total hip arthroplasty, effect of activity levels on polyethylene wear in Charnley low-friction arthroplasty 193
Total mesorectal excision (TME) 40, 135(C), 136(C)
Trainees, basic surgical, optimal education techniques for: lessons from education theory 55
Training
  how much 'at the table' training do consultants do? 331(A)
  open education techniques: lessons from education theory 55
  Senior House Officer: some myths exposed 324
  supervised trainees can perform pancreatic resections safely 16
  vascular, the Calman report and venous surgery 172
Trans-axillary first rib excision for thoracic outlet syndrome 362
Transcranial Doppler, cerebral ischaemia prevention in carotid surgery: roles for 10Dextran 40 and ultrasonic embolus detection 328(A)
Transient ischaemic attack, first year of a fast track carotid duplex service 307
Transplant
  organ, supplementary corticosteroids in patients undergoing gingival surgery 103(A)
  renal autotransplantation with interposed PTFE arterial graft: not necessarily a cure for loin pain/haematuria syndrome 134, 412(C)
  renal, outcome in patients with lower urinary tract abnormality 78
Trauma
  implications of oro-facial management for survivors 339(A)
  ocular injuries 317
Trauma surgery, assessment of electronic mailing list 36
TV image analysis system (TVIAS), quantifying cell changes in oral smears 103(A)
Twin block appliance, a new modification for correction of maxillary prognathism 109(A)
Tyrosine kinase dependent phosphorylation of focal adhesion kinase, activated by adhesion of human osteoblast-like cells to linear collagen peptide motif 105(A)

Ultrasonography, the accuracy of "one-stop" diagnosis for 1110 patients presenting to a symptomatic breast clinic 226
Ultrasonometry, phalangeal bone in post-menopausal proximal femur fracture versus osteoarthritis 334(A)
Umbilical vein grafts, in situ human, evaluation of elastic properties 332(A)
United States, international health issues: a Midwestern perspective 332(A)
Upper GI emergency operations, audit 394(A)
Urinary bladder cancer, radical cystectomy and ileal conduit for invasive tumour 379
Urinary tract abnormalities, outcome of renal transplantation in patients 78
Uveal melanoma, auditing outcomes after treatment of Scottish patients in Liverpool 260

Vascular access, synthetic for haemodialysis: Newcastle experience 334(A)
Vascular surgical mortality audit in Scotland: 1997 395(A)
Vascular trainee, the Calman report and venous surgery 172
Vascular unit
  application of ward-based digital imaging system 333(A)
  prospective survey of MRSA 400(A)
Venous surgery, the Calman report and the vascular trainee 172
Ventilatory insufficiency, audit on predictors in acute traumatic low tetraplegia 396(A)
Volvulus
  acute sigmoid, one-stage procedure in management 164
  small bowel: a review 150, 412(C), 413(C)

War widows, Medical Officer with British Legion pilgrimages 331(A)

X-ray micro-analysis, ionic changes in parathormone stimulated Saos-2 cells 109(A)
